A black and white photograph of a rocky riverbed. The foreground is filled with smooth, light-colored rocks and pebbles. In the background, a concrete wall or bridge structure is visible. A solid blue rectangular bar is positioned at the top of the image, partially obscuring the sky. The text "Printed circuit board built" is overlaid on the image in a bold, black, sans-serif font.

A black and white photograph of a riverbed filled with large, smooth, light-colored rocks. In the background, a bridge with a metal railing spans the river. The surrounding area is covered with dense, tall grass or reeds. The text "Thank you for your attention" is overlaid in the center in a large, bold, black font.

**Thank you for
your attention**
